

Kiss Products, Inc.

Kiss is the largest manufacturer & distributor of professional quality nail products. Kiss became the first company to bring professional nail care directly to the consumer, creating easy to use & all-in-one kits so she can achieve Salon Results at home.

Today, the Kiss line of professional products has expanded to include nail care, nail jewellery, nail art & pedicure products.

Kiss delivers high quality nail products to all levels of consumers through innovation leadership and agility to adapt to global & local markets' changing needs.

For beginners or experienced consumers, Kiss delivers products in a wide variety of styles & designs that are easy to use & provide Salon Results at home.

Kiss launched its second brand, Broadway Nails to attract an untapped segment of the market. This revolutionary brand was the first to allow women to achieve salon-like manicures at home, quickly & easily. Broadway nails was an instant success it continues to drive growth & innovation within the market.
