Subject : - Introduction Letter. Seeking Appointment .  
Ref. : - Setting up – Floating LNG Terminal, LPG and D2(ULSD) supply in the state. .

Dear Sir(s),

1. It gives us immense pleasure to introduce ourselves as pioneer in development of infrastructure projects. We, the Fox Group, is engaged in various activities for development of Infrastructure projects in India, UAE, Bahrain, Switzerland. We are into projects for construction of Buildings, and extended further into construction of Dams, Bridges, Flyover, Power Plant, Oil Exploration and oil trading etc. inception.

The Fox consists of group Companies namely, 1. Fox Construction Limited 2. Fox Petroleum Limited 3. Fox Petroleum FZC, UAE( Based in UAE) 4. Fox Exim Limited. 5. Ms. Surya Group Developers 6. Surya Kiran Projects Pvt. Ltd. and associate companies like MCC Refinery, Herco Machinery Corp, USA; MCC Swiss Bank, SPA in Switzerland, and Sino Neft Petroleum Limited China.

Fox Petroleum Ltd. (FPL), an associate Company of Fox Petroleum FZC, United Arab Emirates; a part of USD 9.5 Billion United States Dollars Company with interest in Oil and Gas sector, Power Generation and Distribution is one of the leading Power Sector Company in Middle East. At present we have 1250 MW+ Approx Combined Cycle Power Plant Project in Bihar for 30MWE Capacity for each 38 Districts of Bihar. And FPL has also proposed to set up following Combined Cycle Power Plants consisting of 4 blocks of 750 MW (Combination of 8 GTGs + 8 HRSGs + 1 STG per block) totaling to 3000 MW capacity, located near Kota District, Rajasthan State.

The Company's core business philosophy is the responsible investment of speculative funds in the petroleum sector. The strategy of the Company is to obtain early license positions in frontier exploration areas either directly or through joint venture arrangements to provide maximum value leverage on exploration success.

2. We have setup a high-powered Project Management Group and an office of Charge-de-Affaires under Mr. J. L. Jearth, who will make our group fully conversant with the nuances of governmental policies and procedures, technical and technological parameters. The land for the project is being sourced from the Government as well as with private parties on FAST-TRACK mode as the entire project has to be operational by 6 June, 2012.

3. Besides the above, we have elaborate plans for expanding our scope of work in the following fields:

(a) Setting up oil exploration works in confirmed oil beds in India as per Government of India notifications.
