

Est.te ,

Thanks a lot for the opportunity that you give me to introduce me and my company.

I'm an italian architect, i represent a pool of professionals and constructions companies, and my family has a construction company too.

I would explain and submit to you offer of investment in different fields of business and in different part of the world.

I can support you at any step of it, i'm Project Manager-Designer..etc...we have companies of constructions, materials supplies, consultants etcc..etc...

We are not a company of investment.

I would start with any info about opportunity:

1-Marina Off-shore:

It is a big project from our italian firm of professionals and it is a unique opportunity in the world.We are looking for an investor that can help us to realize it.

The cost of construction is around 500.000.000,00 of Euro.If you are interested i think that could be better to talk about in a meeting, where we could explain all part of the project and business plan.

2-Villa of 2.000,00 sqmt each floor:

It is a sample project of my personal brand, villas with high level design, project and materials. It Could be a great business in Qatar and in GCC country.I'm looking for people that would to build this kind of project like investment (to re-sell) or for himself.The cost, depend about the materials.

3-Hotel Tower in Dubai:

Hotel Tower in Dubai, please check the files added.It an investment from a friend of mine in Dubai.They are looking for a partner to invest 20% of the total amount.

4-Nonna Peppina, Food Italian Franchising:

It is an idea about an innovative concept of italian food franchise.It is not the usual franchise from Italy of PASTA and PIZZA, but it is a sort italia traditional behavior of our grandmothers.NONNA PEPPINA was my grandmother.Please check the link added to check the idea and business.
