

# THE FUTURE *of* FINANCIAL ADVICE *will YOU be* A PART OF IT?

Consumer trust in financial planning can grow not just through better regulation. Equally important is how you demonstrate to clients that you work to the highest professional standards. Join nearly 6,000 Australian financial planners, and their 130,000 peers around the world, who hold the prestigious CERTIFIED FINANCIAL PLANNER® designation. Available exclusively through the FPA in Australia, it is the only globally recognised designation for financial planners, and the highest credential you can earn in your profession. Strengthen your personal brand now, and build your reputation for the future as a CFP professional.

**The final 2011 intake into the CFP program closes on 28 October.  
Visit [www.fpabestpractice.com.au/cfp](http://www.fpabestpractice.com.au/cfp) to enrol now.**
