**Business Development Manager**

April 2018 - Present (1 year 11 months)

Sydney, Australia

<http://lorganglobal.com/employees/giovanni-john-raciti>

Our advisory team comprises top executives previously from Splunk, CBA, IGA, Qantas, ANZ, CSC, Westpac, Optus and entrepreneurs with rich academic and execution capabilities. Lorgan offers pioneering business

solutions with a unique combination of bigdata, artificial intelligence technologies (such as machine learning, predictive data analytics, data science), Cloud, Security, Robotics and Process Automation

Psychophysiology is the study of the way in which the mind and the body interact. It's also the basis for the artificial intelligence that drives Lorgan's BeyondEyes, our revolutionary, multi-disciplinary negative behaviour detection program that analyses an individual's autonomic nervous system

BeyondEyes is capable of analysing in excess of 200 changing parameters in a millisecond, delivering a solution with high accuracy that is well beyond a human's vision and sound

Capable of overcoming any rehearsed manipulation tactics, BeyondEyes will become the must-have value-add for anyone within the security, risk assessment or even recruitment industries

If there's one thing we're sure of it's that if you're not using BeyondEyes then your competitors will be.

## The Italian Chamber of Commerce and Industry in Australia

### CHAMBER MEMBER

January 2010 - Present (10 years 2 months)

Sydney, Australia

<http://icciaus.com.au/directory-of-chamber-members/>

The Italian Chamber of Commerce and Industry in Australia was established in 1922 with the objective to promote trade and commerce between Italy and New South Wales and, more widely within Australia.

The Italian Chamber of Commerce has helped a countless amount of companies in both Italy and Australia become successful in their business ventures, as well as fostering a range of trade developments, whilst also helping relations between our two great countries grow.

The Chamber in Sydney is the oldest and largest Italian Chamber of Commerce in Australia. There are 79 Italian Chambers around the world, operating in 54 countries which creates a network of over 25,000 members, a global turnover of 75 million dollars and over 2,500 employees.

Located in the heart of Sydney, the Italian Chamber is at the forefront of business both in Australia and in Italy. We offer a wide range of services to members and non-members and assist in trade and investments in both directions, which can be personalised to suit your needs.

So whether you are an executive or an employee, a professional or an entrepreneur, if your business involves Italy or Australia in some way, the Italian Chamber of Commerce can help you.
